Bar Code Label Order Form

P.O. Number:

COMPanion®
phone: 800-347-6439
fax: 888-515-3883

To accurately print your bar code labels, please fill out the information below. Each photocomposed barcode label (P/N V0010 & V0020) can have up to 2 lines of text with a limit of 40 characters per line. Laser labels (P/N V0050) can have up to 2 lines of text with a limit of 23 characters per line. Text must be written exactly as it would appear on the label, i.e., all caps or mixed case letters, spaces, commas, etc. Labels must be ordered in increments of 1,000 in any specified number range and should have a starting number of 1000 or higher. Photocomposed labels have a minimum order requirement of 2,000. All labels are printed in Code 39 symbology and require 4 to 6 weeks for printing. Shipping & handling costs will apply.

After the form is filled out, please sign as "approved." If the information is incorrect, please make changes directly on this form and check "With Indicated Changes."

Bar Code Label Text (40 Characters Max. Per Line)

Part Number	Starting Number	Ending Number	Number of Labels

Bar Code Label Text (40 Characters Max. Per Line)

Part Number	Starting Number	Ending Number	Number of Labels
